YOUR CAR IS AN
INVESTMENT
Consider Ease of Maintenance

*THE TEN-FOUR DE LUXE SALOON

It is according to the amount of maintenance charges your car incurs—no less than to the amount of service it gives you—that it earns the title of a good investment or a bad one. Because of the simplicity of Austin design (proved first in the factory and re-proved by thousands of owners themselves) which makes for pronounced "get-at-ability" in engine and chassis, periodical adjustment can be carried out very easily. And since this simplicity of design embodies such efficient devices for ease of maintenance as zinc interleaving for springs, silentbloc shackles, and the chassis lubrication, the car is called upon to spend less time in the service station than most cars. Especially to the woman owner-driver is this ease of maintenance of an Austin so important. Here, then, is another side of Austin dependability considered as investment value. For this limitation of maintenance charges helps to give you in each of the 29 Austin models that kind of motoring you demand most—satisfying, economical, outstandingly dependable.

"For 28,000 miles it has simply been a case of filling up with petrol and oil. I have owned seven or eight cars of various makes, but never before have I had one run so smoothly and with such regularity."
Owner Report No. 1351; Reg. No. GP4075.

More than 1,100,000 glasses of BASS are enjoyed every day.

the most popular beer in the world!

Wherever good beer is sold, throughout the world, BASS is the popular call. It is the obvious result of BASS quality which has been consistently supreme for over 150 years. That's why 1,100,000 glasses of BASS are enjoyed every day . . . and the number is still growing.

Men and women now realise that BASS is not only a delicious, stimulating drink—they have learnt that it builds and maintains health. Its malt, made from the finest barley, and hops, specially grown for BASS, are brewed with natural spring water equal to that of the most famous spas. These, with the life-giving yeast, produce those essential qualities which build healthy tissues and resist disease germs.

You will be healthier and happier if you drink BASS.
